It makes an ideal topic for a "girls' only" retreat.

Linda Bartlett was encouraged to write this Bible study after scripting the purity lifestyle show. She explains, *"The ideas discussed in this study will seem strange and new to many women and girls. The ideas are counterculture. But, when we look to the Father God and Creator of our bodies to know how to dress and act, we will begin to make better choices. We will begin to transform the culture! We will respect the eyes of gentlemen! We will bring glory to our Savior Jesus rather than to ourselves."*
